SUPPLEMENTAL TERMINAL DISCLAIMER

Sir:

I, Sung Oh, represent that I am a patent attorney of record for this invention. The extent of interest in this invention for which this disclaimer is being made is in the whole of the invention.

This invention is assigned to Create Co., Ltd., (hereinafter Create Co.), 25-16 Nagaoka, 3 Chome, Minami-Ku, Fukuoka, Japan. The assignment was recorded on March 11, 2002, at Reel/Frame 012690/0216.

Create Co. hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory period of Patent No. 6,357,075 issued on March 19, 2002, as presently shortened by any terminal disclaimer, and hereby agrees that any patent issuing on the within patent shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to Patent No. 6,357,075, this agreement to run with any patent granted on the above-identified patent and to be binding upon the grantor, its successors or assigns.

Create Co. does not disclaim any terminal part of any patent granted on the above-identified patent prior to the expiration date of the full statutory term of any patents granted from

Patent No. 6,357,075, as presently shortened by any terminal disclaimer, in the event that they later expire for failure to pay a maintenance fee, are held unenforceable, are found invalid, or statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321(a), have all claims cancelled by a re-examination certificate, or are otherwise terminated prior to expiration of their statutory term as presently shortened by any terminal disclaimer.

Any patent granted on this patent or any patent subject to the re-examination proceeding shall be enforceable only for and during such period that said patent is commonly owned with Patent No. 6,357,075, which formed the basis for the double patenting rejection in the present application.

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 07-1853. Should such additional fees be associated with an extension of time, applicants respectfully requests that this paper be considered a petition therefor.

Respectfully submitted,
